Education

RK University

Bachelor of Technology in
Information Technology.

2021 - Pursuing
Percentage - 8.35 SGPA

Kalyan Polytechnic.

Diploma in Computer
Science Engineering.

2018 - 2021
Percentage - 9.76 CGPA

Podar International
School.

High School X
(GBSE).

2012 - 2018
Percentage - 92.7%

Achievements

- Oct 2021 - Nov 2021 Online
 Hacktoberfest Contributor
 Github

I have delivered 8 impactful PRs to open-source projects, refining technical skills, collaborating globally, and fostering effective communication. Eager to continue the open-source journey and connect with more developers.

- Oct 2021 - Jan 2022 Online
 Android Developer
 Google Developer Hackathon

Utilizing Java and Kotlin, I've created visually appealing, user-friendly applications with the new Material 3 UI design. These applications prioritize efficiency and provide seamless experiences. Eager to continue exploring Material 3's potential and crafting exceptional user-centric solutions.

- Jan 2022 - Feb 2022 Online
 30Days of Google Cloud
 Google

Through my training, I gained hands-on experience with Google Cloud Platform, mastering computing, application development, big data, and machine learning. Confident in developing and optimizing cloud-based applications with the latest industry trends and best practices.
